Making a Tax Deductible Donation

It is time of the year when we will receive letters requesting donations to help an organisation or project. The Buddhist Education in Schools program, a program of the Buddhist Council of Victoria, operates as a not for profit organisation. Seeking donations and funding is one of our major activities. At this time of the year, close to the end of the financial year it is an attractive time to make tax deductible contributions. All donations over \$2.00 are tax deductible.

We will appreciate any help that you can provide to help us continue the good actions of providing children with an early start of understanding the values of life through the teachings of the Buddha. Attached are brochures for your further information.
